Articulate Instructions

The aim of this game is to revise the stories of the Prophets in a fun way.

Cut out the cards

Organise the cards into 3 piles according to colour and shuffle them.

Green- Advanced

Blue- Intermediate

Yellow - Beginner

It works best with teams but can be played with just 2 players.

Set a timer for 2 minutes (adjust to your preference)

One member of the team chooses cards from their level and describes the named Prophet without using any of the other words on the card. Other members of the team guess which Prophet they are describing.

Every correct guess is awarded 1 point.

After a correct guess, pick another card and keep playing until the timer beeps.

There can be 2 passes each round.

Each player takes a turn describing the Prophets on the cards. So 3 players= 3 rounds

At the end of the rounds, all the scores are added and the winning team has the most points.

Kaboom! Instructions

The aim of this seerah game is to identify where certain significant events happened. This game is featured in lesson 6 of the Arabian Peninsula Unit - Places of the Seerah which focuses on 4 main places, Badr, Taif, Tabuk and Hudaibiyah.

This game is for 2-4 players.

Cut out the cards (blank cards are included to write your own questions)

Shuffle the cards well

Set a time for around 7 minutes (allow more time for slower readers).

Each person takes turn to draw a card.

If a player answers correctly they can keep the card.

If a player answers incorrectly, they return the card to the pack.

If a player draws a KABOOM! Card, they return all their cards to the pack.

When the timer beeps, the person with the most card wins.
