

Give your kids the best female role models ✨

scroll to look inside

THE MOTHERS OF THE BELIEVERS

BUNDLE

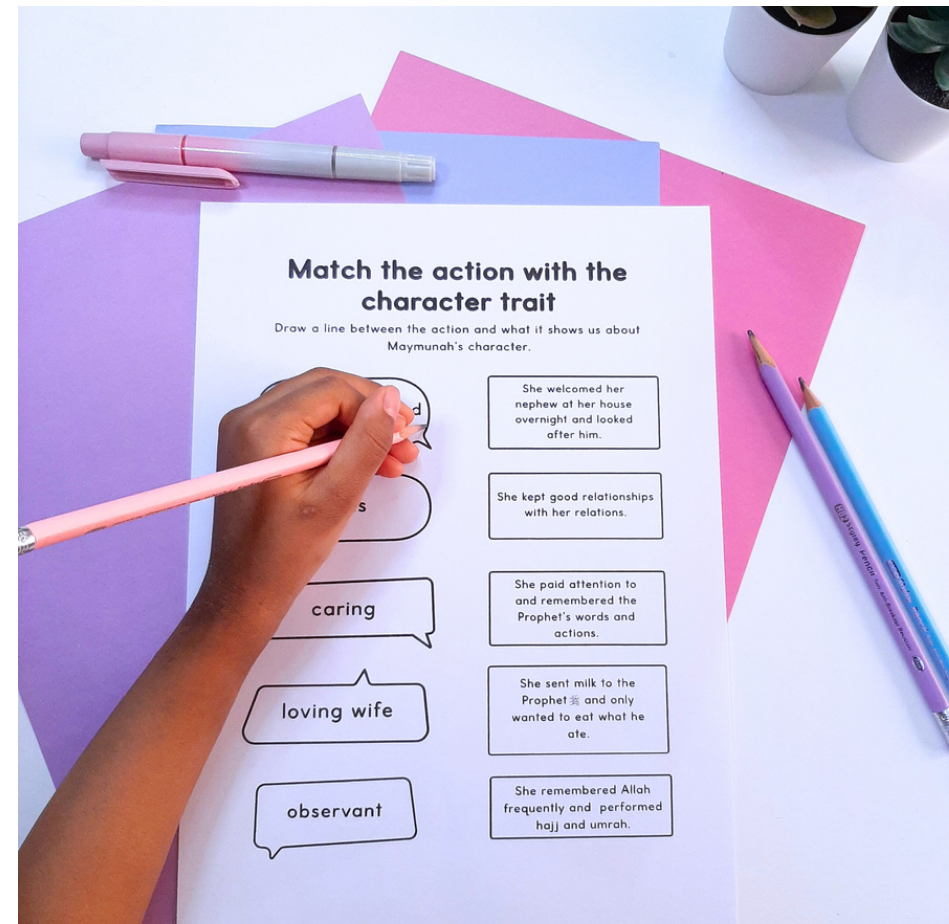

Want to teach your kids about the Prophet's Wives

but the resources you've found are:

- ✘ full of tricky language**
- ✘ require a lot of explanation**
- ✘ not appealing to kids**

That's why I created:

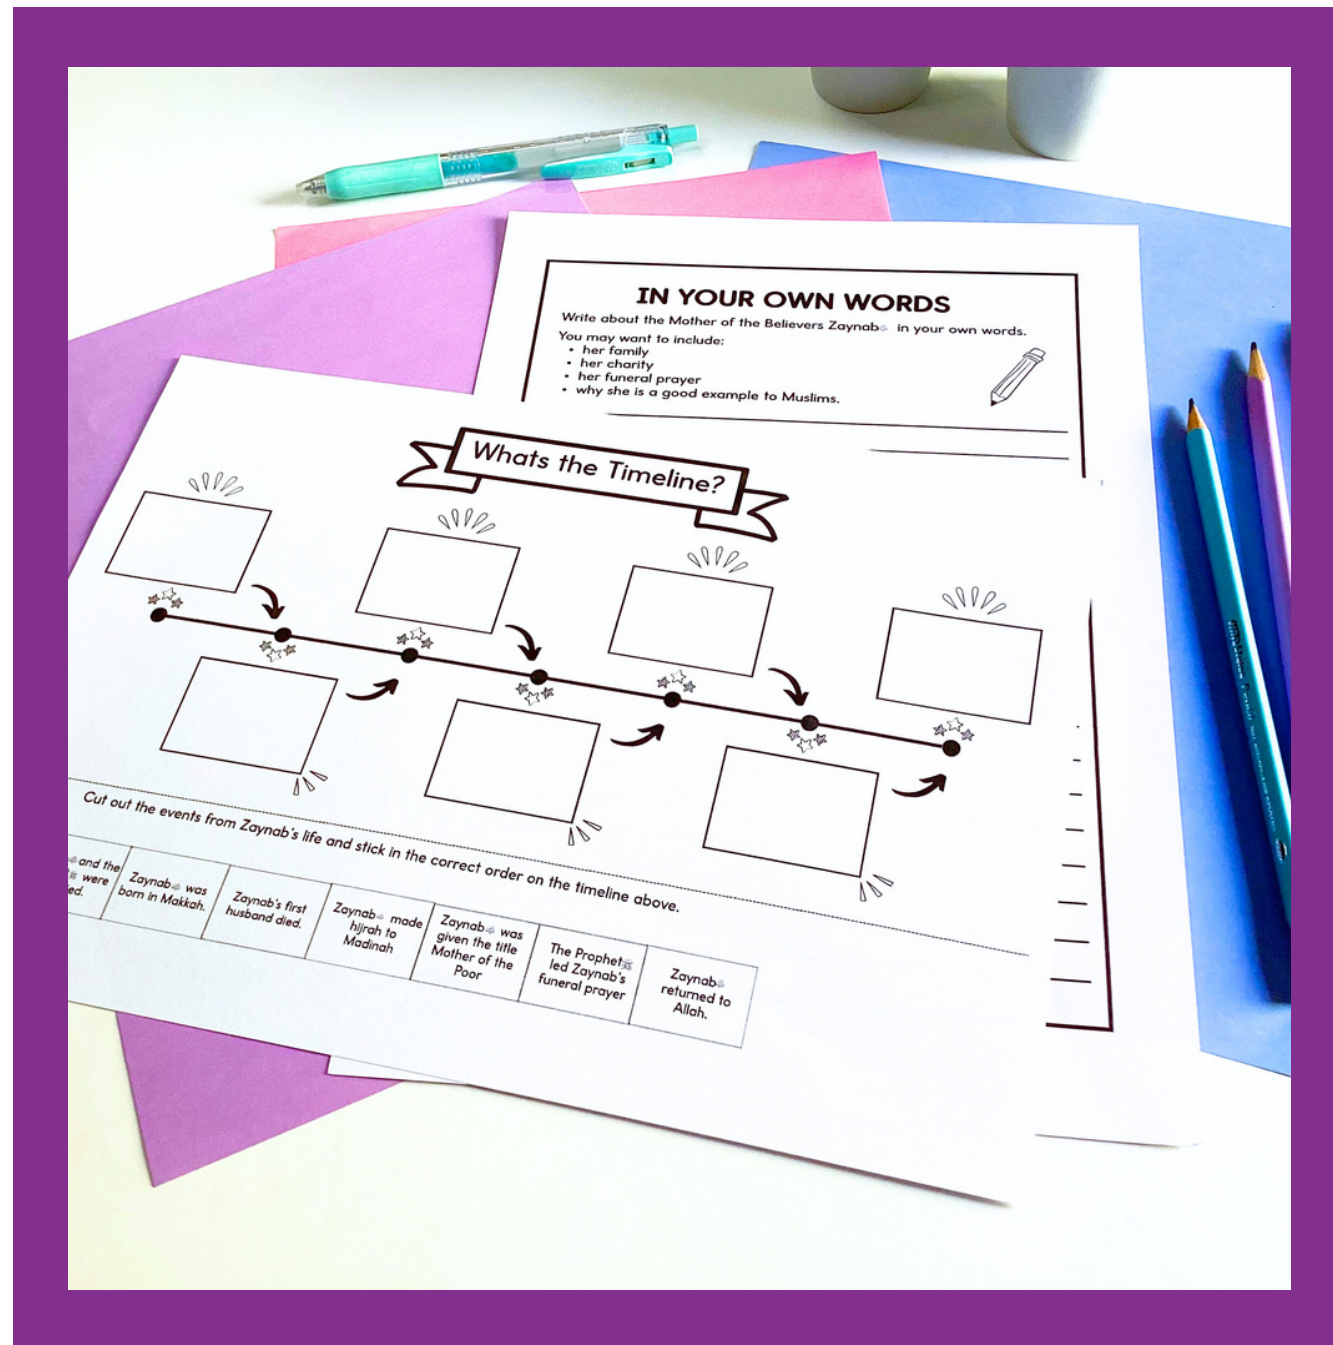

The Mothers of the Believers Series

Give them the best role models with a resource especially designed for kids

What do you get?

Weeks of activities - ready to go!

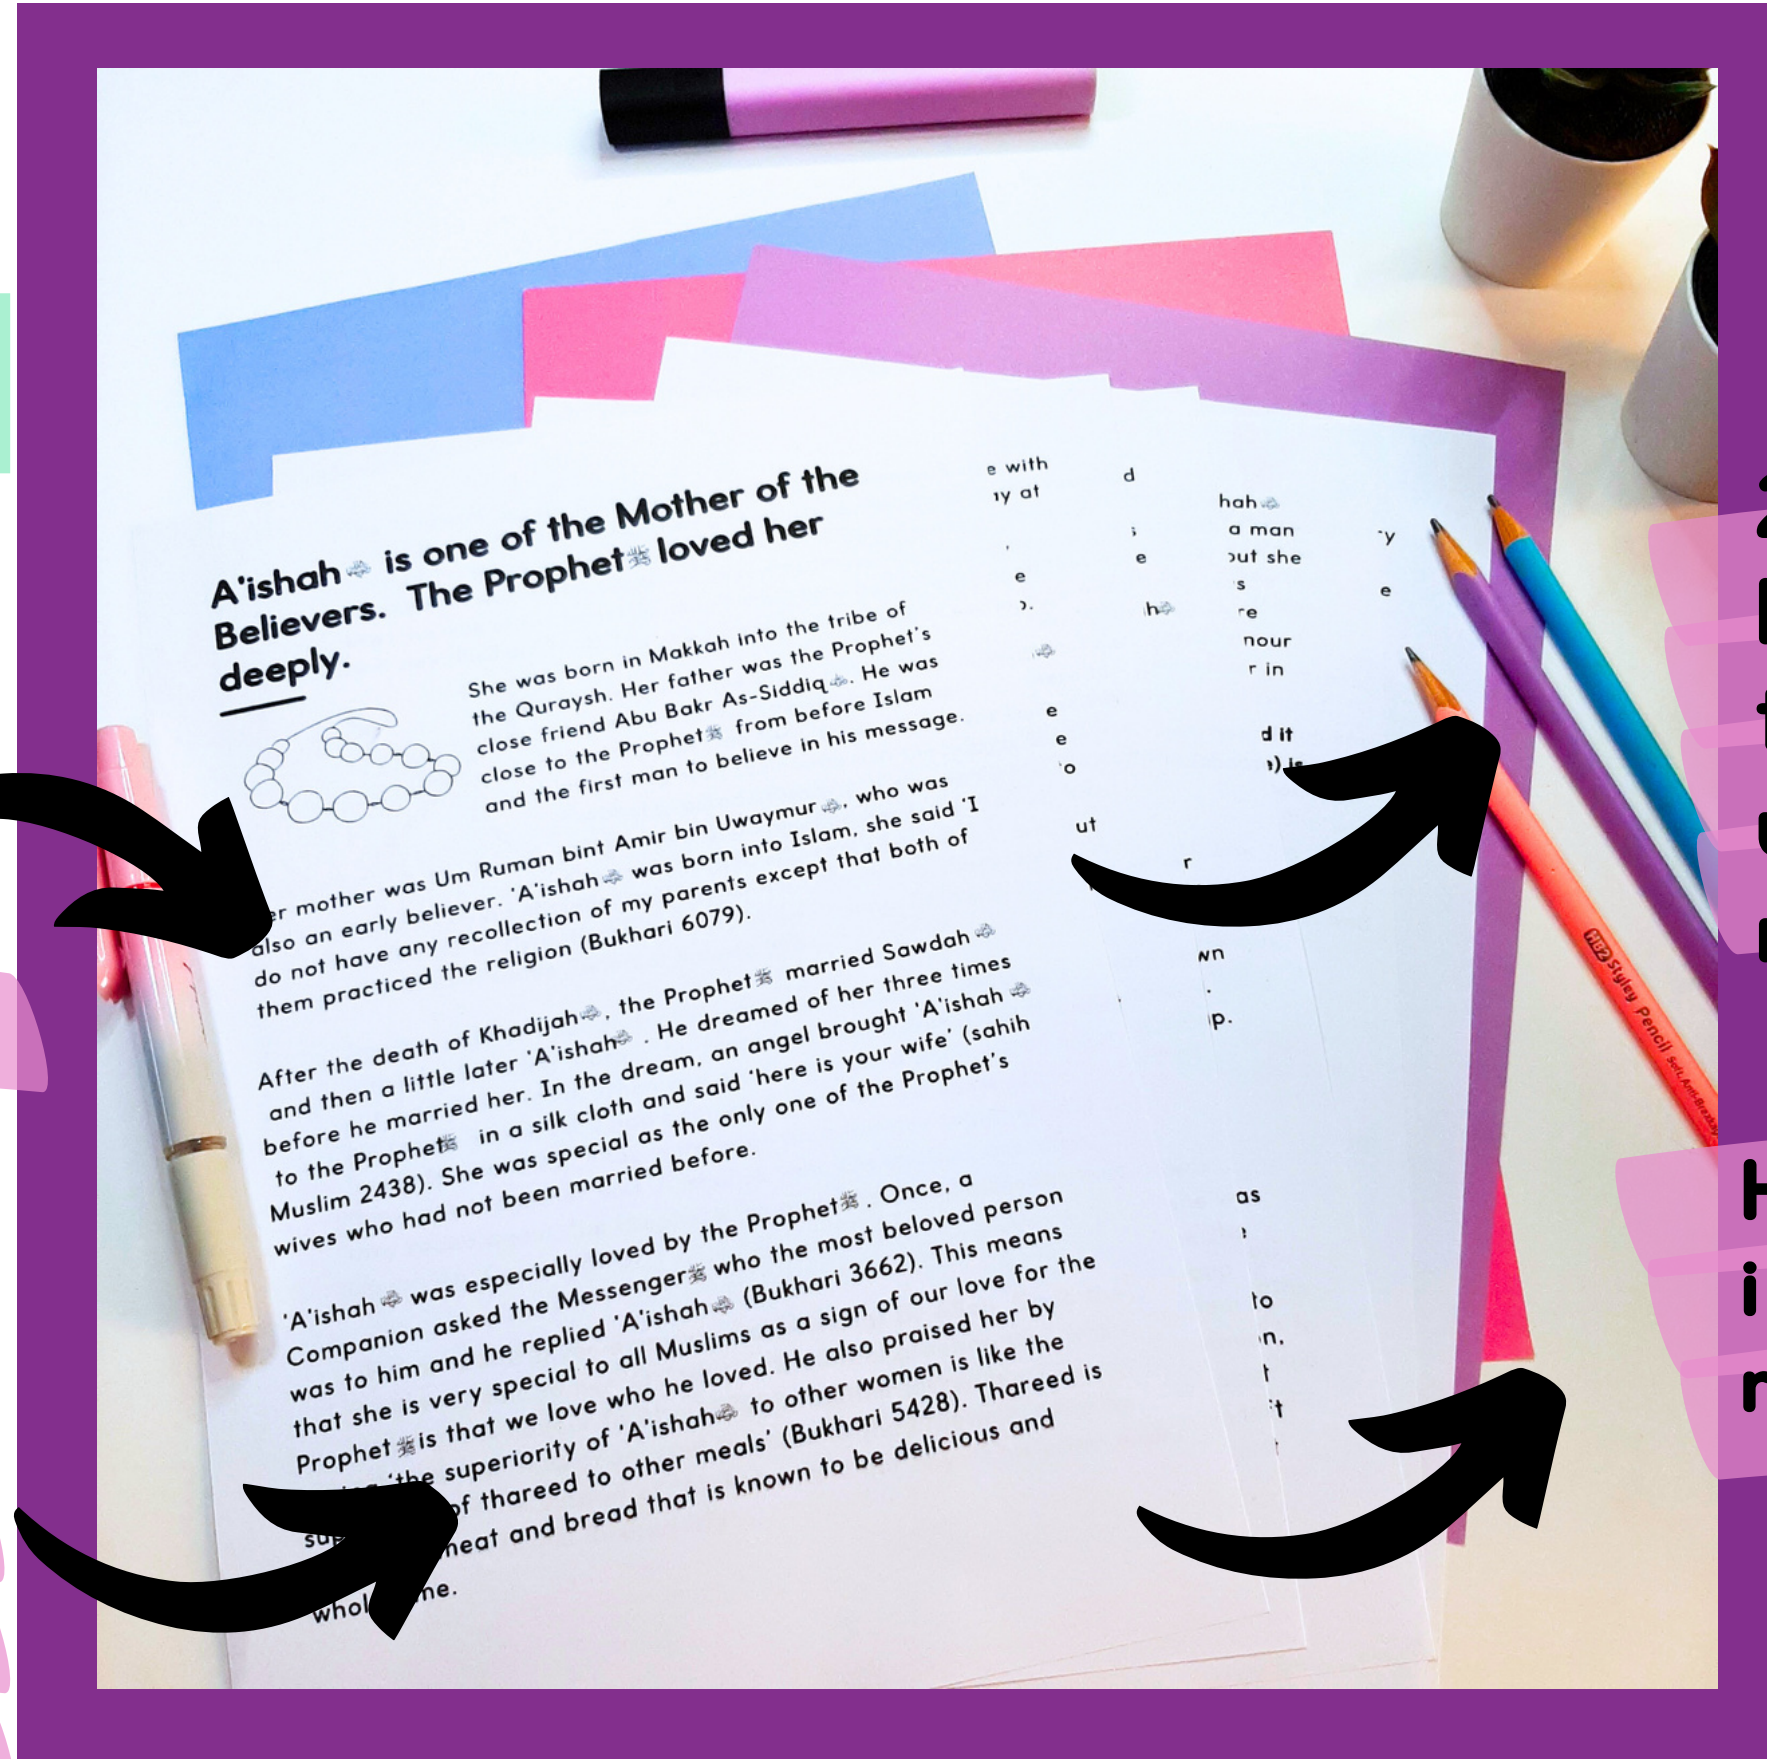

- ✓ 3 levels of biography per Companion
- ✓ Worksheets for each level
- ✓ A selection of colouring pages
- ✓ Answer keys
- ✓ A fun review pack to consolidate learning

Take a closer look!

Simple language designed for kids

Consistent format for each biography pack

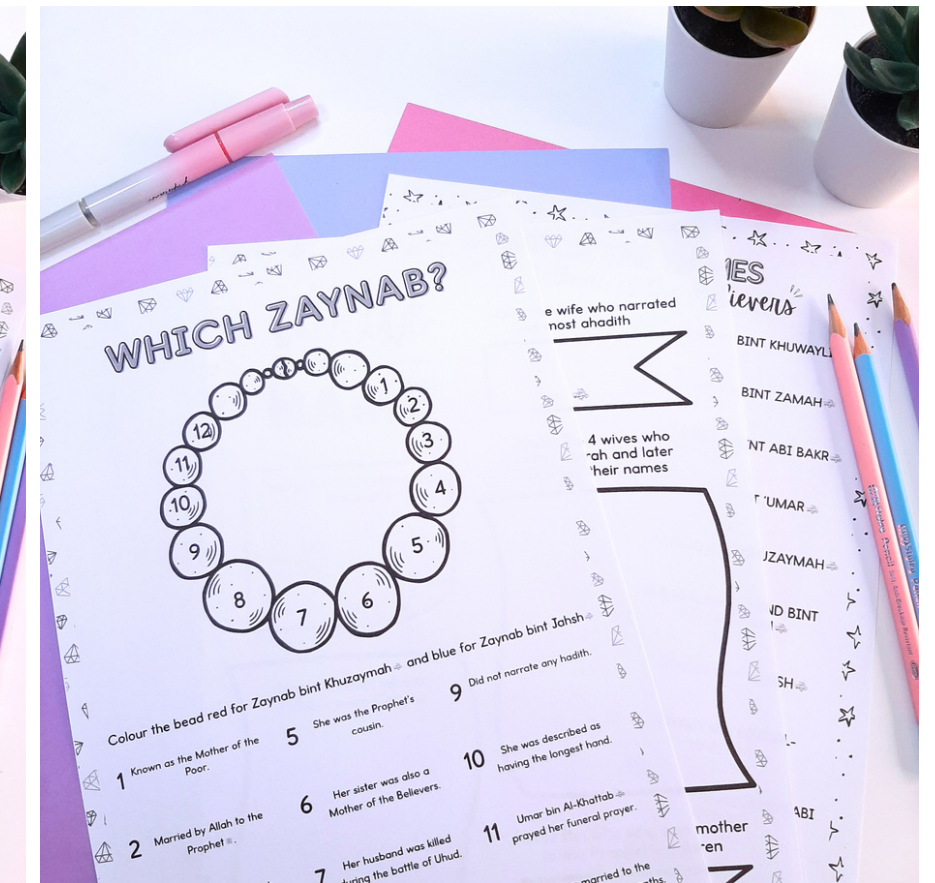

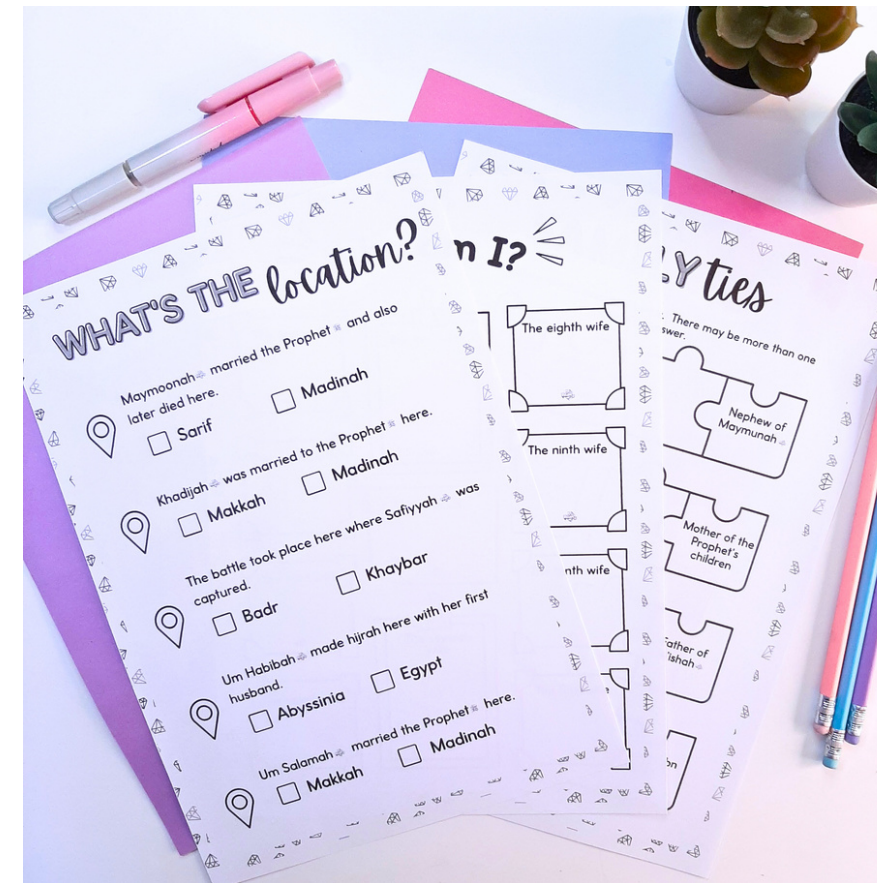

2 levels of biography to suit their understanding and reading level

Hadith naturally included with references

Fun Review Pack

- ✓ A review page for each wife
- ✓ Fact pages to give an overview of the 11 wives
- ✓ Fun games
- ✓ Review pages to revise all the wives at once
- ✓ Easy to complete independently

Use this resource in so many ways!

Islamic Studies

This is a perfect resource for teaching about the sahaba in your Islamic Studies lessons.

Holiday Project

Make holidays beneficial with this special themed unit.

English Lessons

The biographies make great reading comprehensions or reading material.

Read-alouds

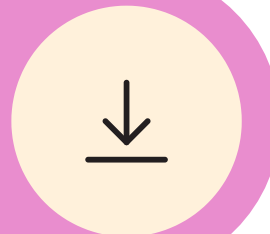

Use the biographies to read-aloud to your children. Great for homeschool or bedtime!
